Deprived Bright Students Scholarship Foundation Inc. (DBSSFI) is a not-for-Profit organization with an objective to identify and finance the education of academically or technologically challenged Akwa Ibom State students who would otherwise have difficulties attending school due to financial reasons.

This year, we intend to sponsor twenty students at universities in Nigeria and one student in the United States. The estimated cost of financing renewals and new students is about fifteen thousand dollars.

This year, more than ever, the need is greater and more students are expecting our support. We are counting on your generosity to fund these awards.

We are appealing for your generous and timely donations. Without your contributions, we will be forced to limit our awards to fewer students.

The following is the current membership structure in the organization:

Board of Governors:	annual minimum contributions	\$1,000.00
Board of Directors:	annual minimum contributions	\$500.00
Board of Organizers:	annual minimum contributions	\$300.00
Supporters Club:	annual minimum contributions	\$300.00
Friends of DBSSFI	annual minimum contributions	\$100.00
General contributions		any amount

You do not have to be a member to contribute to this worthy cause.

Please send your check while this is still fresh in your mind. We desperately need your support to adequately plan for the twelfth annual award presentation in August. Make your tax deductible check payable to DBSSFI.

Stand up for something. Be a part of an organization you can be proud to identify with. Invest in the young bright students of Akwa Ibom State and provide the Land of Promise with qualified, dedicated and indigenous professionals.

Thank you in anticipation and MAY the Good Lord Guide and bless you, Amen
